To please the (Court),
I strongly feel that a few
of the (C.O.s), here at the
D.U.C.I. are being mistreated
and being prejudicial towards
me.

On (February 12, 2020) at
(7:15)-(7:28)am while taking
going to shower, I was
informed by a (male) (C.O.)
that they were washing
(under wear).

Once I was thru show-
-ering, I saw (C.O.) "Hibpa"
Hibpa, at least this is how I was
told how to spell her name, re-
-fused underwear by her, after
she went and got ~~another inmate~~
another inmate.

some underwear off the floor!

I asked her for a pair of underwear, at which time she said that the other (C.O.) should have given me a pair even though I told her that there weren't any clean on the floor, in the area I was showering in.

At which time she walked away from the door, telling another (C.O.), that me and another inmate, were ready to go, even though she was aware that we didn't receive clean underwear.

Some time ago, I got upset with my brother and his wife, so I requested my visitor list be cancelled, so I wouldn't see them again.

But when I misplaced my oldest daughter's Victoria's Secret address, I tried to get it from my social worker "Mrs. Hagg".

She wrote a response telling me, we can't give you her phone number.

on 2/12/20. At which time
I am being taken for either
(Brain) or (Chest) surgery,
due to my (seizure) (sp),
too please the (Court),
I request that you order
the (WCI), to give me
my daughter (Victoria T. Kidd),
- "Victoria T. Kidd",
Phone Number and Address,
if and/or after they check
my records and see that
"Victoria" didn't request to
be taken off of my (Victim's)
list...

I also have information
about how the writer that I
am drinking, is contaminated.

Respectfully,

Mr. Robert P. Kidd
